RE: Contract No. R-28910

Dear Mr. Kline:

When signing the title sheets for the final tracings as approved for letting, I have noticed that the INDOT signature block has remained "Chief, Division of Design" on many plan sets. Many consultants seem to be unaware or not concerned about our department's changes in organization the last few years.

I must **commend** your firm for updating this area to **Indiana Department of Transportation**. With the continuous restructuring of INDOT to maximize financial and staffing resources, this change to the signature line should remain appropriate.

Again, I want to thank you for keeping up with current standards which results in the production of a more professional set of final tracings.

Sincerely,

A handwritten signature in black ink that reads "Dan B Holtz".

David Holtz
Deputy Commissioner
Engineering Services & Design Support
